

## Important Announcement to members of the London Quantum Retirement Benefit Scheme (also known as the London Quantum Occupational Pension Scheme) (“the Scheme”)

---

This is the third Announcement to members.

In our second Announcement dated December 2015 we explained that Dalriada’s appointment was subject to a further review by the Determinations Panel of the Pensions Regulator (the “Panel”). This is known as the ‘compulsory review process’.

As part of that review process an Oral Hearing was held on 16 December 2015 in London in front of the Panel. At that Oral Hearing submissions were made by the case team of the Pensions Regulator, Dalriada, Dorrixo Alliance (UK) Limited and Quantum Investment Management Solutions LLP.

The Panel have now advised all parties that their decision is to uphold the decision of the Pensions Regulator to appoint Dalriada. This means that Dalriada will continue to act as Trustee with exclusive control. Dorrixo Alliance (UK) Limited continues as a trustee but it cannot exercise any powers in relation to the Scheme.

With Dalriada’s appointment confirmed we will continue with the steps set out in the second announcement.
