

Important Announcement to members of the London Quantum Retirement Benefit Scheme (also known as the London Quantum Occupational Pension Scheme) (“the Scheme”)

This is the fifth Announcement to members.

In our third Announcement we set out that following an Oral Hearing held on 16 December 2015 in front of the Determinations Panel of the Pensions Regulator (“the Panel”), the Panel upheld the decision of the Pensions Regulator to appoint Dalriada as independent Trustee to the Scheme.

The purpose of this Announcement is to advise members that the Panel’s ‘Final Notice’ has been published by the Pensions Regulator.

As previously advised, we have set up a website for members and a copy of the Final Notice has been included on this for your information. The website can be found at:

www.dalriadatrustees.co.uk/london-quantum

The Frequently Asked Questions (FAQs) on this page have also been updated to reflect this publication and we will continue to update the website when further information becomes available.

As you will be aware, the costs of answering queries have to be met from the assets of the Scheme. In order to minimise these costs it would be very helpful if you could, in the first instance, check the FAQs to see if your question is answered there.

Should you, however, have any specific personal queries in relation to this Announcement, your membership of the Scheme or should you wish to provide us with further information, please contact us.

You can contact us as follows:
