Nothing in the Scheme entitles any person to an Unauthorised Payment.

Without restricting this they shall have the powers rights and discretions given to them by law and the specific powers rights and discretions set out in the remainder of this Clause so long as they are consistent with the law. If a law is framed so as to allow something the Scheme shall be deemed to include such a power and the ability to exercise it to its full extent.

- 7.1 The Trustees may appoint an actuary (or firm of actuaries) to the Scheme and may remove and appoint another.
- 7.2 The Trustees may appoint an auditor to the Scheme and may remove an auditor and appoint another in his place.

- 7.6 The Trustees may rely on the advice provided by any adviser appointed by them and they shall not be responsible for any loss in doing so.
- 7.7 The Trustees shall decide the terms on which advisers are appointed having consulted the Principal Sponsor.

8 **INVESTMENT**

- 8.1 The Trustees shall, subject to complying with any statutory restrictions on the investment of pension scheme assets, have power to invest, apply or transact with the whole or part of the Fund in their absolute discretion and as though they were beneficially entitled. Without restricting that general power, the investments may be of any kind anywhere in the world, whether tangible or intangible and whether or not producing income, and whether alone or together with others, and the investments may include any contracts or policies of investment or insurance, collective investment schemes, mutual funds, annuity contracts or managed fund arrangements.
- 8.2 The Trustees may select and notify Members of any Investment Facilities. The Trustees may add to, vary or withdraw any Investment Facilities.

9 **ACCOUNTS**

- 9.1 The Trustees must ensure that proper accounts are kept.
- 9.2 Where required the Trustees must obtain audited accounts and the auditor's statement prepared by the auditor appointed by the Trustees. The Trustees must arrange for the auditor to have access to all accounts and other documents relating to the Scheme that the auditor needs.

10 **SCHEME EXPENSES**

Any costs, liabilities and expenses properly incurred by the Trustees in connection with the Scheme shall be met out of the Fund. The Trustees may decide that specific cost arrangements should apply to any transaction that applies to a Member's Account.

11 **AMENDMENT**

The trusts of the Scheme and the Rules may at any time be amended in writing by the Principal Sponsor. Any amendment must comply with any applicable statutory requirements. If a notice is given in a form agreed by the Principal Sponsor and the Trustees the Scheme shall pending the execution of any deed or other document be deemed to be amended in such manner as is necessary to give effect to the contents of the notice.

12 **MERGER**

The Trustees shall at the direction of the Principal Sponsor merge the Scheme with another scheme or arrangement. Merger may be by either transfer in to the Scheme of members of another scheme or by transfer out of Members of the Scheme to another scheme. The terms of any merger will be agreed between the Trustees and the trustees of the other scheme. Merger may involve all or part of a scheme. The consent of Members to merger is not required but if it involves any transfer without their consent the transfer must satisfy the legal requirements for transfers without

Member consent. The Trustees shall be discharged from liability for any benefits transferred to another scheme.

13 NOTICES AND CONSULTATION

13.1 Notices which are required under the Scheme shall be given as follows:

- (a) to the Principal Sponsor or to a Participating Body, delivered or sent by recorded delivery post to its registered office address;
- (b) to the Trustees, delivered or sent by recorded delivery post to the Trustees at the registered office address of the Principal Sponsor;
- (c) to any beneficiary, delivered or sent to him whether by post to his last known private address;
- (d) to any other person or body by post or by hand.

In all cases any notice, its form and content and the manner of its service shall comply with any applicable legal requirements.

14 PARTICIPATING BODIES

14.1 The Principal Sponsor may allow another employer, body or person to participate in the Scheme provided that that participation is consistent with Scheme Status. To participate in the Scheme the Participating Body will need to enter into a deed agreeing to comply with the terms of the Scheme. Once a Participating Body has signed the deed it will become a Participating Body from the date specified in the deed. The deed will also set out any special terms decided by the Principal Sponsor on which the Participating Body is to participate. Where there is any requirement that a Participating Body is to be consulted about certain pension scheme matters, by entering into the deed of participation each Participating Body automatically appoints the Principal Sponsor as its agent for that purpose. A Participating Body may decide to whom if anyone access to the Scheme is offered.

14.2 The Principal Sponsor may be replaced as Principal Sponsor by another company, body or undertaking which agrees in writing to take on that function. Replacement must also be consistent with Scheme Status. The Principal Sponsor that is being replaced may continue to be a Participating Body under the Scheme.

14.3 If any of the following happen the Participating Body concerned will cease to participate in the Scheme;

- 14.3.1 The Participating Body's participation is not consistent with Scheme Status;
- 14.3.2 The Participating Body gives prior written notice to the Principal Sponsor and to the Trustees that it intends to cease to participate from a certain date;
- 14.3.3 The Trustees at the direction of the Principal Sponsor notify the Participating Body that it has failed to comply with the terms of its participation and the Participating Body does not promptly correct its failure;
- 14.3.4 The Principal Sponsor requires the Participating Body to cease to participate, in which case the Principal Sponsor shall give prior written notice to the Participating Body and to the Trustees;

14.3.5 The Participating Body takes or fails to take any action and by that it is apparent to the Principal Sponsor that the body does not intend to continue to be a Participating Body;

14.3.6 The Participating Body is wound up (other than for reconstruction or amalgamation), or goes into liquidation, receivership or administration, or is dissolved or bankrupt (whichever applies).

The Participating Body ceasing to participate in the Scheme then becomes a Cessation Body for the purposes of this Clause. The Trustees will notify the Cessation Body of the date or deemed date (the "Cessation Date") of its cessation of participation in the Scheme. The Trustees will then decide how to deal with the Personal Accounts of any Members of the Cessation Body.

15 **WINDING UP**

15.1 The Scheme shall be terminated on the first of any of the events listed occurring;

15.1.1 The Principal Sponsor giving the Trustees written notice that the Scheme should be terminated;

15.1.2 If the law requires the Scheme to be wound up, including an order to that effect by the Pensions Regulator.

15.2 If the Trustees unanimously decide, they may continue the Scheme and may at some later date unanimously decide to proceed with the winding up. The Trustees can also unanimously decide to continue the Scheme if another person or body agrees to assume the role of Principal Sponsor on terms that the Trustees agree. Whilst the Scheme continues the Trustees will have all the powers under the Scheme. Until the winding up is completed the power of amendment shall continue in force.

15.3 On winding up of the Scheme the Trustees shall first comply with any statutory requirements.

15.4 On winding up of the Scheme the Trustees shall realise the Fund at such time as they decide. From the proceeds the Trustees will first pay or make provision for any costs and expenses of winding up. The remaining assets will then be applied for each Member to secure benefits for the Member in any way that the law allows, including securing the benefits either by transfer to another Registered Pension Scheme selected by the Member and which is willing to accept the transfer or by a policy or annuity with an Insurance Company. Where a Member's benefit is in the form of a policy under the Scheme in the name of the Trustees the Trustees may secure the Member's benefits by assigning that policy to the Member. Where the law allows it the Trustees may commute a Member's benefits into a lump sum.

15.5 Once benefits have been secured for or in respect of a Member the Trustees shall be discharged from any further liability.

16 **HMRC REQUIREMENTS**

Appendix 1 of the Rules shall in respect of any benefits to which it applies override any other provision of the Scheme where there is any inconsistency. The Trustees may restrict any benefit or option a Member has under the Scheme accordingly.

18 **TRANSFERS**

- 18.1 Subject to any restrictions imposed by the Principal Sponsor if a Member has been a member of another scheme or arrangement before becoming a Member the Trustees may at the request or with the consent of a Member accept a transfer of assets into the Scheme from that other scheme or arrangement. Any transfer amount received by the Trustees in respect of a Member will be applied by the Trustees to the Member's Account or otherwise as they decide and agreed with the Member. The transfer may be made subject to conditions including but not limited to any that the Pension Authorities require.
- 18.2 If a Member is entitled by law to a transfer of assets from the Scheme (or in any case where the Member does not have such a right, if the Trustees at their discretion permit that Member to transfer assets from the Scheme) he may exercise that right or concession. If it by concession, then any transfer is subject to any terms the Trustees impose.
- 18.3 Any transfer to the Scheme or from the Scheme must where necessary be consistent with Scheme Status.
