

Important Announcement to members (“the Schemes”)

Dominator 2012 Pension Scheme Commando 2012 Pension Scheme Donington MC Pension Scheme

Announcement on behalf of the Pensions Regulator

The Pensions Regulator (TPR) is close to the conclusion of an investigation in relation to the investments made by the Commando, Dominator and Donington pension schemes. TPR envisages that it will notify Dalriada as trustee of the outcome soon, to enable further communication to the members of the schemes. It is not in a position to provide further information about the investigation at this time.

Dalriada will issue a further Announcement to members by the end of May with an update on matters related to the Schemes more generally.

Warning about a pension scam

We have e-mailed members about a scam and, also, posted a warning on the members’ website. The members’ website can be accessed at the following link:

<https://www.dalriadatrustees.co.uk/scheme/norton-motorcycles-pension-schemes/>

To confirm, if you receive correspondence which appears to be from Dalriada, asking you to ‘make a claim’ in a limited timeframe, this letter is bogus. Any phone numbers in the letter are not genuine Dalriada numbers and, if you call, you will likely be asked to make a payment or asked to provide personal information. Please **DO NOT DO THIS**.

As set in the Announcement and on the website, if you receive a letter like this and/or have called a number, please get in contact with Dalriada and report the matter to Action Fraud as soon as possible.

You can contact Action Fraud on:

Telephone number: 0300 123 2040

Crime Number: NFRC210504481800 (please include this if you make contact).

It should also be reported to your local police and you should quote the same crime number.

To be absolutely clear, Dalriada will NOT ask you to make any payment and/or to disclose sensitive personal information. If you receive a call from (or make a call to) someone purporting to be from Dalriada and who asks you for money or to disclose personal information, **this is a scam** and you should hang up and report the call to us and Action Fraud, as set out above.

What should I do if I have any further questions?
